

Family Run Organization Movement
"Moving families forward. From our family to yours."

Pre-Con

at the **22nd Annual Family Café**

Thursday, June 4, 2020
10:00 am – 3:30 pm
Hyatt Regency Orlando

9801 International Drive • Orlando, Florida

Does your Family-run organization have an exciting direction and a lot of funding partners? If not, you're not alone! In fact, Family-run organization leaders often express that they're plateaued, or worse, lost regarding what to do next. Some report feeling like they've hit a brick wall and funding is hard to find. There are some, too, who are doing well but who would still like to be challenged to think outside the box. So what's your status?

No matter where your Family-run organization is in the non-profit life cycle, the Family Run Organization Movement (FROM) has an exciting opportunity for you—a day-long event valuable to both startups and seasoned organizations, and all those in-between.

Join us for the Annual Family Café's Pre-Conference to assess your status, plan your next steps, figure out your roadblocks as well as your opportunities, and leave with an action plan for moving your Family-run organization forward. Participants will work in groups using a case study to understand the stages of the non-profit life cycle, as well as have time to workshop their unique situation and next steps (all the while engaging and supporting each other). This fast-paced workshop and accompanying tools and strategies are for everyone. Space is limited so be sure to reserve your seat now.

John Ferrone is a nationally recognized consultant, organizational coach, and family member. He specializes in assisting family-run organizations to build capacity to be sustainable, as well as how to collaborate and achieve a statewide vision.
