

The 25th Anniversary Family Café General Information

Hotel Rooms

Each room at the Hyatt Regency Orlando includes one King or two Queen-size beds. Each room has a mini-refrigerator and coffee maker. If you have any special requests or needs regarding your room, please be sure to inform the hotel staff prior to your arrival. Although the Hyatt Regency is an ADA compliant hotel, it is a challenge for the hotel staff to meet the accommodation needs of every attendee. The sooner you inform the hotel of your needs the better. If you have multiple electronic devices, you may want to bring a power strip to ensure you have enough electrical outlets.

Meals

NO MEALS will be provided at this year's event. Please be prepared to either bring food to store in your in-room refrigerator or to purchase meals at the hotel. The Hyatt Regency has several dining options, some of which will offer a 20% discount to all attendees. You must present your Family Café name badge to receive the discount.
